

Introduced by Senator Galgiani

February 20, 2014

An act to amend Section 69432.7 of the Education Code, relating to student financial aid.

LEGISLATIVE COUNSEL'S DIGEST

SB 1149, as introduced, Galgiani. Cal Grant Program: renewal awards

The Cal Grant Program establishes the Cal Grant A and B Entitlement awards, the California Community College Transfer Entitlement awards, the Competitive Cal Grant A and B awards, the Cal Grant C awards, and the Cal Grant T awards under the administration of the Student Aid Commission, and establishes eligibility requirements for awards under these programs for participating students attending qualifying institutions.

Under the program, until July 1, 2013, an institution otherwise ineligible for initial and renewal Cal Grant awards for specified reasons was eligible for renewal Cal Grant awards, reduced as specified, for recipients who were enrolled in the institution during the academic year before the academic year for which the institution is ineligible and who chose to renew their Cal Grant awards to attend the institution.

This bill would make a recipient again eligible to renew a Cal Grant award, without reduction, if the student was enrolled in an institution ineligible for one of these reasons during the last academic year before the institution became ineligible.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

SECTION 1. Section 69432.7 of the Education Code is amended to read:

69432.7. As used in this chapter, the following terms have the following meanings:

(a) An “academic year” is July 1 to June 30, inclusive. The starting date of a session shall determine the academic year in which it is included.

(b) “Access costs” means living expenses and expenses for transportation, supplies, and books.

(c) “Award year” means one academic year, or the equivalent, of attendance at a qualifying institution.

(d) “College grade point average” and “community college grade point average” mean a grade point average calculated on the basis of all college work completed, except for nontransferable units and courses not counted in the computation for admission to a California public institution of higher education that grants a baccalaureate degree.

(e) “Commission” means the Student Aid Commission.

(1) “Part time,” for purposes of Cal Grant eligibility, means 6 to 11 semester units, inclusive, or the equivalent.

(2) “Full time,” for purposes of Cal Grant eligibility, means 12 or more semester units or the equivalent.

(g) “Expected family contribution,” with respect to an applicant, shall be determined using the federal methodology pursuant to subdivision (a) of Section 69506 (as established by Title IV of the federal Higher Education Act of 1965, as amended (20 U.S.C. Sec. 1070 et seq.)) and applicable rules and regulations adopted by the commission.

(h) “High school grade point average” means a grade point average calculated on a 4.0 scale, using all academic coursework, for the sophomore year, the summer following the sophomore year, the junior year, and the summer following the junior year, excluding physical education, reserve officer training corps (ROTC), and remedial courses, and computed pursuant to regulations of the commission. The commission shall annually adjust the maximum household income and asset levels based on the percentage change in the cost of living within the meaning of paragraph (1) of subdivision (e) of Section 8 of Article XIII B of the California Constitution. The maximum household income and asset levels applicable to a renewing recipient shall be the greater of the adjusted maximum household income and asset levels or the maximum household income and asset levels at the time of the renewing recipient's initial Cal Grant award. For a recipient who was initially awarded a Cal Grant for an academic year before the 2011–12 academic year, the maximum household income and asset levels shall be the greater of the adjusted maximum household income and asset levels or the 2010–11 academic year maximum household income and asset levels. An applicant or renewal recipient who qualifies to be considered under the simplified needs test established by federal law for student assistance shall be presumed to meet the asset level test under this section. Prior to disbursing any Cal Grant funds, a qualifying institution shall be obligated, under the terms of its institutional participation agreement with the commission, to resolve any conflicts that may exist in the data the institution possesses relating to that individual.

(l) (1) "Qualifying institution" means an institution that complies with paragraphs (2) and (3) and is any of the following:

(A) A California private or independent postsecondary educational institution that participates in the Pell Grant Program and in at least two of the following federal campus-based student aid programs:

(B) A nonprofit institution headquartered and operating in California that certifies to the commission that 10 percent of the institution's operating budget, as demonstrated in an audited financial statement, is expended for purposes of institutionally funded student financial aid in the form of grants, that demonstrates to the commission that it has the administrative capacity to administer the funds, that is accredited by the Western Association of Schools and Colleges, and that meets any other state-required criteria adopted by regulation by the commission in consultation with the Department of Finance. A regionally accredited institution that was deemed qualified by the commission to participate in the Cal Grant Program for the 2000–01 academic year shall retain its eligibility as long as it maintains its existing accreditation status.

(C) A California public postsecondary educational institution.

(2) (A) The institution shall provide information on where to access California license examination passage rates for the most recent available year from graduates of its undergraduate programs leading to employment for which passage of a California licensing examination is required, if that data is electronically available through the Internet Web site of a California licensing or regulatory agency. For purposes of this paragraph, "provide" may exclusively include placement of an Internet Web site address labeled as an access point for the data on the passage rates of recent program graduates on the Internet Web site where enrollment information is also located, on an Internet Web site that provides centralized admissions information for postsecondary educational systems with multiple campuses, or on applications for enrollment or other program information distributed to prospective students.

(B) The institution shall be responsible for certifying to the commission compliance with the requirements of subparagraph (A).

(3) (A) The commission shall certify by October 1 of each year the institution's latest three-year cohort default rate and graduation rate as most recently reported by the United States Department of Education.

(B) For purposes of the 2011–12 academic year, an otherwise qualifying institution with a three-year cohort default rate reported by the United States Department of Education that is equal to or greater than 24.6 percent shall be ineligible for initial and renewal

1 Cal Grant awards at the institution, except as provided in
2 subparagraph (F).

3 (C) For purposes of the 2012–13 academic year, and every
4 academic year thereafter, an otherwise qualifying institution with
5 a three-year cohort default rate that is equal to or greater than 15.5
6 percent, as certified by the commission on October 1, 2011, and
7 every year thereafter, shall be ineligible for initial and renewal Cal
8 Grant awards at the institution, except as provided in subparagraph
9 (F).

10 (D) (i) An otherwise qualifying institution that becomes
11 ineligible under this paragraph for initial and renewal Cal Grant
12 awards shall regain its eligibility for the academic year for which
13 it satisfies the requirements established in subparagraph (B), (C),
14 or (G), as applicable.

15 (ii) If the United States Department of Education corrects or
16 revises an institution's three-year cohort default rate or graduation
17 rate that originally failed to satisfy the requirements established
18 in subparagraph (B), (C), or (G), as applicable, and the correction
19 or revision results in the institution's three-year cohort default rate
20 or graduation rate satisfying those requirements, that institution
21 shall immediately regain its eligibility for the academic year to
22 which the corrected or revised three-year cohort default rate or
23 graduation rate would have been applied.

24 (E) An otherwise qualifying institution for which no three-year
25 cohort default rate or graduation rate has been reported by the
26 United States Department of Education shall be provisionally
27 eligible to participate in the Cal Grant Program until a three-year

29 institution by the United States Department of Education.

31 ~~Cal Grant awards at the institution under subparagraph (B), (C),~~
32 ~~or (G) shall be eligible for renewal Cal Grant awards for recipients~~
33 ~~who were enrolled in the ineligible institution during the academic~~
34 ~~year before the academic year for which the institution is ineligible~~
35 ~~and who choose to renew their Cal Grant awards to attend the~~
36 ~~ineligible institution. Cal Grant awards subject to this subparagraph~~
37 ~~shall be reduced as follows:~~

38 ~~(I) The maximum Cal Grant A and B awards specified in the~~
39 ~~annual Budget Act shall be reduced by 20 percent.~~

1 ~~(H) The reductions specified in this subparagraph shall not~~
2 ~~impact access costs as specified in subdivision (b) of Section~~
3 ~~69435.~~

4 ~~(ii) This subparagraph shall become inoperative on July 1, 2013.~~

5 (G) For purposes of the 2012–13 academic year, and every
6 academic year thereafter, an otherwise qualifying institution with
7 a graduation rate of 30 percent or less for students taking 150
8 percent or less of the expected time to complete degree
9 requirements, as reported by the United States Department of
10 Education and as certified by the commission pursuant to
11 subparagraph (A), shall be ineligible for initial and renewal Cal
12 Grant awards at the institution, except as provided for in
13 subparagraphs (F) and (I).

14 (H) Notwithstanding any other law, the requirements of this
15 paragraph shall not apply to institutions with 40 percent or less of
16 undergraduate students borrowing federal student loans, using
17 information reported to the United States Department of Education
18 for the academic year two years before the year in which the
19 commission is certifying the three-year cohort default rate or
20 graduation rate pursuant to subparagraph (A).

21 (I) Notwithstanding subparagraph (G), an otherwise qualifying
22 institution with a three-year cohort default rate that is less than 10
23 percent and a graduation rate above 20 percent for students taking
24 150 percent or less of the expected time to complete degree
25 requirements, as certified by the commission pursuant to
26 subparagraph (A), shall remain eligible for initial and renewal Cal
27 Grant awards at the institution through the 2016–17 academic year.

28 (J) The commission shall do all of the following:

29 (i) Notify initial Cal Grant recipients seeking to attend, or
30 attending, an institution that is ineligible for initial and renewal
31 Cal Grant awards under subparagraph (C) or (G) that the institution
32 is ineligible for initial Cal Grant awards for the academic year for
33 which the student received an initial Cal Grant award.

34 (ii) Notify renewal Cal Grant recipients attending an institution
35 that is ineligible for initial and renewal Cal Grant awards at the
36 institution under subparagraph (C) or (G) that the student's Cal
37 Grant award will be reduced by 20 percent, or eliminated, as
38 appropriate, if the student attends the ineligible institution in an
39 academic year in which the institution is ineligible.

1 (iii) Provide initial and renewal Cal Grant recipients seeking to
2 attend, or attending, an institution that is ineligible for initial and
3 renewal Cal Grant awards at the institution under subparagraph
4 (C) or (G) with a complete list of all California postsecondary
5 educational institutions at which the student would be eligible to
6 receive an unreduced Cal Grant award.

7 (K) By January 1, 2013, the Legislative Analyst shall submit
8 to the Legislature a report on the implementation of this paragraph.
9 The report shall be prepared in consultation with the commission,
10 and shall include policy recommendations for appropriate measures
11 of default risk and other direct or indirect measures of quality or
12 effectiveness in educational institutions participating in the Cal
13 Grant Program, and appropriate scores for those measures. It is
14 the intent of the Legislature that appropriate policy and fiscal
15 committees review the requirements of this paragraph and consider
16 changes thereto.

17 (m) “Satisfactory academic progress” means those criteria
18 required by applicable federal standards published in Title 34 of
19 the Code of Federal Regulations. The commission may adopt
20 regulations defining “satisfactory academic progress” in a manner
21 that is consistent with those federal standards.
